OBJECTIVE

Passionate about full-stack and mobile application development, with strong skills in HTML, CSS, JavaScript, and basic Java. Experienced in frontend development through internship and various projects. Eager to leverage my skills in innovative projects and contribute to creating impactful solutions in the tech industry.

INTERNSHIP

Digital Branding Guru | Graphic Design Intern
Dec 2024 – Present

- Creating designs based on client needs to improve their digital presence.

Codsoft |Web Development Intern
Sep 2024 – Oct 2024

- Gained practical experience in responsive web design, adapting websites for different screen sizes.

PROJECTS/TASKS

1. Landing Page *Technologies*

- Created a responsive landing page using HTML, CSS, and JavaScript, choosing to feature my own YouTube channel, *Web Odyssey*, which offers web development tutorials and resources.

2. Personal Portfolio *Technologies*

- Created a personal portfolio showcasing skills, projects, and Contact Form.
- Included sections for Home, About Me, Skills, Projects, and Contact, along with a header and footer, to enhance personal branding.

3. Basic Calculator *Technologies*

- Developed an interactive calculator with a user-friendly interface.
- Designed the calculator to perform basic arithmetic operations.
